

First New Friend Initiative

The First New Friend program is a community on boarding initiative that allows us to leverage one of our greatest assets – the Southern Charm and Hospitality of our residents – to engage and secure new ones by providing an opportunity for potential and/or new residents to connect with people with whom they have things in common.

For someone considering a move to a new city, it can be difficult to get good information about that city, and even harder to meet like-minded people. First New Friend is an ambassador program that connects people who are passionate about Frankfort with those who are new or considering a move to our community.

Each ambassador has provided information about what makes them unique (application below): do you speak multiple languages, volunteer for the arts, enjoy hiking and canoeing, attend the Baptist Church or are part of the Hispanic community?

If you are considering a move or have recently moved to Frankfort, you can apply for the program and be connected with someone with whom they have things in common and who can provide basic information necessary when learning your new community...neighborhoods, housing, driver's license, voter registration, trash/recycle, public transportation, child care, healthcare, pet care, fun things to do, schools, recreation, where to eat...

We are so excited to welcome you to Frankfort.
